A diagram of a standard extension cord. The cord is shown in cross-section with three main sections: a blue 'STANDARD' section on the left, a yellow 'EXTENSION' section in the middle, and a red 'DO NOT REMOVE' section on the right. The yellow section is divided into five segments labeled '+10', '+20', '+30', '+40', and '+50'. A dimension line labeled 'Y' indicates the total length of the yellow extension section. Below the cord is a yellow ruler with black markings from 1 to 10.
