

Introduction:

The new Enzo range from Inta is a real best seller Beautifully subtle curved lines and simple form belie the technology that is packed into each shower. Enzo is both safe to touch during operation and thermostatically controlled so that it protects from delivering water that is hot enough to scald.

Features

- Thermostatic Anti-Scald Protection
- Safe Touch Body
- WRAS and TMV2 Approved Valve
- Large Overhead Stainless Steel Soaker
- Smooth Hose
- Telescopic Riser
- Adjustable Fixing Points For Riser
