## Colonial Shower Range Colonial2 Thermostatic Surface Mounted Shower Valve with Adjustable Riser Chrome

### Specification

|  |                             |
|--|-----------------------------|
| Finish/Colour:                           | Chrome                      |
| Main Construction Material:              | Brass                       |
| No of Controls:                          | 1                           |
| Shower Type:                             | Thermostatic                |
| Shower Head Type:                        | Adjustable                  |
| Valve/Cartridge Type:                    | Exposed                     |
| Maximum Hot Water Supply Temperature °C: | 65                          |
| Maximum Static Pressure: (bar)           | 10                          |
| Plumbing System Suitability:             | All - Ideally Balanced      |
| Working Pressure Range:                  | Min. 0.1 Bar - Max. 5.0 Bar |
| Connection Inlet:                        | 15mm Compression Elbows     |
| Connection Outlet:                       | G 1/2"                      |
| Check Valve Included:                    | No                          |

### Features:

- 15mm Inlet Connections
- Easy replacement with adjustable inlets so you can use on existing pipework centres between 110mm and 155mm
- Thermostatic cartridge with preset temperature stop at 42°C
- Supplied with 1 x 7l/min and 1 x 5L/min flow regulators

### Product Certifications:

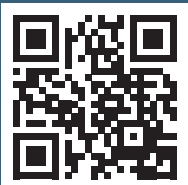

WRAS Certificate No.: 1905901  
WRAS Expiry Date: 31/05/2024

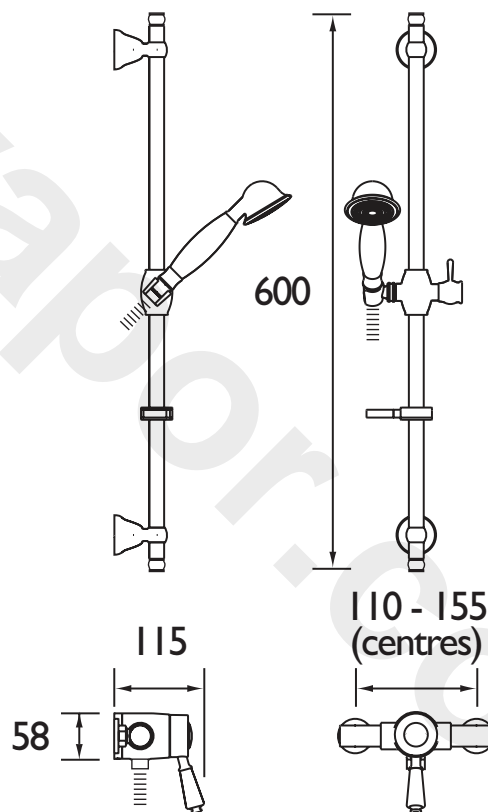

TMV2 Cert. Number: NSF2126/0619  
TMV2 Expiry Date: 13/006/2019
