## Specification

|                                   |                                    |
|-----------------------------------|------------------------------------|
| Product Type:                     | Floor Standing Bath Shower Mixer   |
| Main Construction Material:       | Brass                              |
| Mount Type:                       | Deck Mounted                       |
| Handle Type:                      | Square                             |
| Connection Inlet:                 | 1/2" BSP                           |
| Connection Outlet:                | N/A                                |
| Number of Tap Holes:              | 1                                  |
| Valve/Cartridge Type:             | 40mm Cartridge                     |
| Plumbing System Requirements:     | Suitable for high pressure systems |
| Minimum Dynamic Pressure:         | 2.0 Bar                            |
| Maximum Dynamic Pressure:         | 5.0 Bar                            |
| Maximum Hot Water Temperature: °C | 65                                 |
| Maximum Static Pressure: (bar)    | 10                                 |
| Flow Type:                        | Single                             |
| Isolation Included:               | No                                 |

## Dimensions (measurements in mm)

## Flow Rates (l/min)

| System Pressure (bar) | 2  | 3    | 5    |
|-----------------------|----|------|------|
| SAI FSBSM C           | 19 | 23.4 | 30.4 |
